(Your club name)

(Contact's phone number)

(Contact's email)

(Club website if available)

(Your Club Name) Announces Flying Event to Benefit (Charity Name)

(City, State, Date of Release) — (Your club name), a local

model aviation club, is pleased to announce a “hands-on” event held at our flying field

in (county or city, state). This event will be held on (date), from (start time) to (end time). The event

includes hands-on flight training for new pilots, scheduled air shows (list times), and plenty

of food and drinks (specify whether these will be free or for purchase)! Best of all, a portion of the

proceeds from the event will go to help (charity name) in our local community. Please come and join us

for a great fun-filled day while supporting a great cause! For more information, visit (club website) or

contact (club contact info). (You may also choose to include simple directions to your flying site).

(Your club name) is a local, non-profit organization founded to promote the educational and recreational benefits of model aviation as a hobby and sport.

--End--

**If you include a good-quality photo of your flying site, a previous community event hosted by your club, or your club logo, this may help your press release stand out.*

***If you are issuing a joint press release with the charitable organization your event will benefit, be sure to include contact information for both organizations.*
